

enoround

The **enoround** series are designed as attractive 16 bottle models on a round "kiosk".

The room temperature models can be supplied as either 1 or 3 volume models.

They can include our Wine Card activation option with 2 card readers to activate 8 bottles each. This allows two customers to be served at the same time.

The Digital Price Display option can also be included in the **enoround** models.

enoround specifications:

850mm diameter top, 1200-1250mm diameter counter, 625mm high (plus base), 80kg (without base), 110/220 Volts, 60 Watts.

Our enoround models are available in a wide range of laminate, stainless steel and timber finishes to suit any decor.
